April 1, 2026

Greetings to our faithful Nova family!

We are excited to celebrate Nova's first birthday with you! God continues to bless Nova by giving us the privilege of coming alongside women who are making decisions about their unexpected pregnancies. **Since our opening on April 1, 2025, 72 babies who were vulnerable to abortion have been given the chance to celebrate a birthday!** Praise God for your prayers and financial support, which enables us to carry out God's vision and strategy.

What a faithful God we serve. He has blessed our ministry with gifts far beyond what could ever be imagined. And yet, another miracle as the Lord continues to pour even more favor upon Nova Women's Health. **An anonymous benefactor has offered to match new donations given in the month of April, up to \$72,000; this gift will be used to pay off the remaining balance of Nova's mortgage! That means we have an amazing opportunity to raise \$144,000, positioning us to be debt free much earlier than our original 3-year goal! We will then be able to direct more funds toward reaching women at the HIGHEST risk for abortion, one woman at a time.** Praise God for moving one heart to provide a way for your dollars to be multiplied so that even more lives will be saved!

If you have an existing monthly pledge or recently donated to Nova, we thank you! If the Lord is moving you to participate in this matching gift, you can double your impact on the lives of these little ones, like Logan, who was our first Nova rescued baby! *The matching opportunity is for new donations or new pledges only.*

Nova does not receive government funding; services offered are free of charge and are completely funded by YOU, our local community of donors. **All giving is tax deductible, and all donations go directly toward the ministry.**

I am astounded by the mercy and grace of God as I see His unconditional love reaching and transforming the lives of the women and children we serve. Please remember us in your prayers as we go to battle each and every day, because every life is precious in the sight of the Lord.
